

## OAKINGTON GARDEN CENTRE ROSES RANGE 2014

This list is correct as of February 2014. Please note that some varieties, especially the celebration roses, sell quickly. Contact the garden centre on 01223 234818 to reserve a rose or before making a special journey.

### SPECIES AND HYBRIDS:

Often the original species from which others have been bred. Vigorous and hardy, early flowering with autumn hips.

Rosa cantabrigiensis	Yellow flowers, vermillion hips.
Rosa dupontii	White flowers from pink buds, red hips, sweet fragrance.
Rosa moschata	White flowers over long period.
Rosa moyesii 'Geranium'	Red flowers, vermillion hips.
Rosa roxburghii	Pink and white flowers, peeling bark, yellow fruit.
Rosa rubrifolia (glauca)	Pink and white blooms, scarlet hips.
Rosa xanthina 'Canary Bird'	Yellow flowers, purple-black hips.

### ALBA:

Probably the result of a cross between the European dog rose and a damask. Large shrubs with clusters of double flowers.

Rosa x alba 'Alba Semi Plena'	Known as the white rose of York, scarlet hips.
Rosa 'Celestial'	Pink flowers, claimed to be the Minden Rose, shade tolerant.

### CENTIFOLIA:

Mostly bred in the Netherlands in the 17<sup>th</sup> & 18<sup>th</sup> centuries. Richly fragrant, the name means '100 petals'.

Rosa 'Fantin Latour'	Rose pink flowers over long period.
Rosa x centifolia	Old Cabbage Rose, very double pink flowers, very fragrant.

### MOSS:

So called because of the mossy growth that surrounds the buds and stems.

Rosa 'Captaine John Ingrams'	Crimson purple blooms with button eye over long period, strong scent.
Rosa 'Nuits de Young'	Dark purple double flowers, very fragrant.
Rosa 'Quatre Saisons Blanc Mousseux'	White flowers continuously over summer, very fragrant.

### GALLICA:

Their predecessors were grown by the Greeks and Romans, these varieties were grown in England, France & the Netherlands.

Rosa 'Belle de Crecy'	Crimson buds open cerise, dark pink, magenta, lilac then mauve.
Rosa 'Complicata'	Single pink flowers, paler at the centre, red hips.
Rosa 'Gloire de France'	Large pink and lilac blooms, nearly thornless.
Rosa var. officinalis	Apothecary's Rose, Red Rose of Lancaster, pink flowers and red hips.
Rosa var. versicolour (Mundi)	Red pink stripes on pale pink petals, orange-red hips.
Rosa 'Tuscany Superb'	Double, deep crimson-maroon flowers with gold stamens.

### DAMASK:

Thought to be brought to Europe from the Middle East by returning crusaders, main source of 'old rose' fragrance.

Rosa 'Celsiana'	Rose pink to pale pink, tolerant of partial shade.
Rosa 'Comte de Chambord'	Warm pink, double, quartered flowers, repeats.
Rosa 'Jaques Cartier'	Pink blooms stuffed with petals, stands up to rain, repeats.
Rosa 'Rose de Rescht,	Fragrant portland rose with purple-red flowers, repeats.

### BOURBON:

Originating on the Isle de Bourbon from China and Damask roses, flowers are cup shaped with delicious fragrance.

Rosa 'Boule de Nieve'	Double flowers of silky white flushed pink, repeats.
Rosa 'La Reine Victoria'	Almost perpetually blooming and very fragrant, pink flowers.
Rosa 'Louise Odier'	Deep pink flowers with lavender tints, repeats.
Rosa 'Mme. Issac Perriere'	Deep pink flowers with a hint of purple, repeats.

### RUGOSA:

Hardy and robust, their papery blooms are often fragrant and repeat flowering, followed by large red hips.

Rosa 'Blance Double de Coubert'	Cupped white flowers and orange hips, repeats.
Rosa 'Fru Dagmar Hastrup'	Single, silver pink flowers, red hips, repeats.
Rosa 'Roseraie de l'Hay'	Double, rich purple-red flowers, repeats.

### HYBRID PERPETUAL:

Crossed with Tea roses to give us the modern Hybrid Tea, they are richly fragrant.

Rosa 'Duke of Wellington'	Loose, double flowers of deep crimson,, repeats.
Rosa 'Ferdinand Pritchard'	Double flowers of pink with crimson stripes, repeats
Rosa 'Souvenir du Dr. Jamain'	Double, wine-red flowers with purple hints, flowers in flushes.

### HYBRID MUSK:

Bred in the early 20<sup>th</sup> century, they resemble a refined Floribunda. Graceful growth with sprays of often double flowers.

Rosa 'Buff Beauty'	Double flowers of apricot to buff, repeats.
Rosa 'Felicia'	Clusters of double, light pink flowers, repeats all summer.
Rosa 'Lavender Lassie'	Clusters of pale pink blooms flushed lavender, repeats.
Rosa 'Penelope'	Semi-double creamy pink flowers all summer.

### CHINA:

Descended from for varieties that arrived in Britain in 1800, they are compact and repeat flowering.

Rosa 'Cecile Brunner'	Coral pink to pink white blooms all summer.
Rosa 'Old Blush' (Parsons Pink)	Pale to dark pink, tea scent, flowers all summer.
Rosa 'Perle d'Or'	Double apricot flowers, sweet fruity scent, repeats.
Rosa 'Sophies Perpetual'	Pale pink to crimson flowers until frosts, musky scent.

### MODERN SHRUB:

Often a cross between a modern Hybrid Tea or Floribunda with a species, they have beautiful flowers and strong growth.

Rosa 'Ballerina'	Clusters of pink and white flowers all summer.
Rosa 'Bonica'	Clusters of pale pink flowers all summer.
Rosa 'Bright as a Button'	Abundance of pink flowers with red and gold centres.
